BASIC INFORMATION

1. Why is this notice being provided?

A Court authorized this notice because you have a right to know about a proposed settlement of this Class Action lawsuit and to know your options before the Court decides whether to give final approval to the settlement. This notice explains the lawsuit, the settlement, your rights, what benefits are available, who may be eligible for those benefits, and how to get them.

The Honorable District Judge Amos Mazzant and the Honorable Magistrate Judge Kimberly Priest-Johnson of the United States District Court for the Eastern District of Texas are overseeing this Class Action. The settlement resolves the case *Cone v. Vortens*, Case No. 4:17-cv-0001, which claimed that certain Vortens Tanks were defectively manufactured. The people who sued are called the “Plaintiffs”, and the company being sued, *Porcelana Corona*, (“Vortens™”) is the “Defendant.”

2. What is this lawsuit about?

The lawsuit claims that Vortens™:

- Manufactured and sold defectively manufactured toilet tanks,
- Knew of the defective condition of the toilet tanks, and
- Failed to provide warnings notifying the public about the defect.

The lawsuit claims that Vortens™ actions lead to the failure of the Affected Toilet Tanks.

Vortens™ denies all the claims and allegations in the lawsuit. Vortens™ maintains that the Toilet Tanks are not defective in any respect, that the failure rate is very low and that any failures are the result of other factors (such as improper installation or misuse). Vortens™ has successfully defended itself on these grounds in the past.

3. Why is this a Class Action?

In a Class Action, one or more people called “Class Representatives” (in this case Aaron and Stacey Stone and Daniel and Sharon Sousa) sue on behalf of all people who have similar claims. All of these people are the “Settlement Class Members.” One court resolves the issues for all Settlement Class Members.

4. Why is there a settlement?

The Court did not decide in favor of Plaintiffs or Vortens™. Instead, both sides agreed to settle this case to avoid the cost and risk of a trial. The settlement does not mean that any law was broken or that Vortens™ did anything wrong. Vortens™ denies all claims and allegations in this case. The Class Representatives and their lawyers think the settlement is best for all Settlement Class Members.

WHO IS IN THE SETTLEMENT

To see if you will be affected by the settlement or if you can get a payment from it, you need to decide if you are a Settlement Class Member.

5. Am I part of the settlement?

The Settlement includes Texas owners of one or more Affected Toilet Tank(s). This Settlement provides extended warranty benefits to Texas owners after failure, if any, of an Affected Toilet Tank.

The Settlement Class, as approved by the Court, is formally defined as follows:

13. What am I giving up to get a payment?

The Settlement Agreement is available at www.VortensSettlement.com/cone. The Settlement Agreement provides more detail regarding the release and describes the Released Claims with specific descriptions in necessary, accurate, legal terminology, so read it carefully. You can talk to the law firms representing the Settlement Class listed in the section “The Lawyers Representing You” for free, or you can, at your own expense, talk to your own lawyer if you have any questions about the Released Claims or what they mean.
